

**YESTERPAY HOLDINGS INC.**  
**FAQ'S**  
**FOR EMD'S & REPRESENTATIVES**  
**(Update: August 29th, 2019)**

---

- Q.** Who do we connect with when we have questions about forms, procedures, deficiencies and corrections?
- A.** Lucas Frame: [subscriptions@yesterpay.com](mailto:subscriptions@yesterpay.com) phone 587-779-7929. It is Lucas' responsibility to review the subscriptions and respond in the event of deficiencies.
- Q.** Why does every subscriber have to execute Alberta based documents even if they don't live in Alberta?
- A.** This is a requirement of the Alberta Securities Commission (the "**ASC**") because Yesterpay Holdings Inc. ("**Yesterpay**") is an Alberta based corporation, it must therefore comply with the securities legislation in the Province of Alberta and the jurisdiction in which the subscriber is resident. This means that all subscribers must execute **Schedule A - Exhibits 1 and 2**, as applicable and comply with the requisite investor limits in section 2.9(2.1) of National Instrument 45-106 – *Prospectus Exemptions*.
- Q.** Why are middle names required?
- A.** We are required to provide middle names to the security commissions on the 45-106F1.
- Q.** Can **Schedule C** be executed by the EMD or an authorized EMR?
- A.** Yes the EMD's CCO or designate (EMR) may sign the form on behalf of the EMD.
- Q.** Why does the ASC require full name, including middle name(s) and SIN?
- A.** The middle name is required to be submitted to the ASC and other relevant securities regulatory authorities (the "**Commissions**"), if applicable, in the Form 45-106F1 that is filed with the Commissions within 10 days of the closing of the offering. The EMD must state in writing in the event of no middle name(s) so that we are able to ensure we have the correct information and that no information has been inadvertently not provided. SIN's are used for annual reporting of interest income to the Canada Revenue Agency.
- Q.** Why must it be the current Offering Memorandum of Yesterpay (the "**Offering Memorandum**" or "**OM**") used in the subscription?
- A.** Yesterpay updates the Offering Memorandum when changes have occurred that are required to be disclosed pursuant to applicable securities laws or to otherwise comply with financial statement currency requirements under applicable securities laws. It is a requirement under applicable securities legislation that the subscribers be provided with the updated OM and that the subscriber re-execute the agreement to purchase the securities after receipt of that updated OM by the subscriber.
