# yesterpay HOLDINGS

## Spring is Here!

Covid-19 still has the majority of the world on lockdown and social distancing, We hope that you are safe and healthy and that you are enjoying the spring weather.

We continue to work remotely as a team, providing support to our dealer representatives and investors. Contact your advisor or reach out directly if you have any questions about your investment portfolio.

When dealing with the challenges the pandemic has thrown our way we believe:

*Life has an odd way of making things work out in the end.*

**Monthly interest payments were distributed for April 2020 to all investors.**
